St. James

Kwalu wainscot paneling is ideally suited to applications where attractive design and Virtually Indestructible™ wall protection is desired. Our wainscot paneling is offered in four standard styles, and is easily re-configured for custom designs.

Shaker

Oxford

SoHo

Rigid Wall Covering

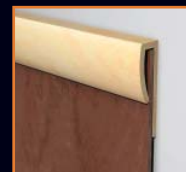

Beaded panels also available.

Kwalu Rigid Wall Covering shown with optional Transitional Handrail, 4" base rail and base shoe.

Kwalu rigid wall covering is the perfect solution for wall protection applications in which wainscot paneling is not considered an appropriate option. With two standard thicknesses, our rigid wall covering can be adapted to almost any application.

Handrails

10 26 00/KWA
BuyLine 7079

Transitional

Kwalu's Virtually Indestructible™ handrails offer both the personal safety of a strong gripping surface and protection for walls against knocks and bumps. Three styles cover a range of design and budget applications. All Kwalu handrails are ADA compliant.

Round

Wall Guards

4" Wall Guard shown with Wall Base and Kwalu Symphony Chair.

Wall Base

6" Wall Base shown with optional base shoe.

As with all Kwalu wall protection products, our wall guards and wall base offer the rich, warm texture of wood with the Virtually Indestructible™ durability of our proprietary polymer. Kwalu wall guards and wall bases have an anti-bacterial finish. Coordinate your base and chair moldings with other wall protection products for a complete design.

Corner Guards

CG-.75 (3/4" wing)

Other Sizes Available: **CG-1.5 (1 1/2" wing)**
CG-2 (2" wing)
CG-3 (3" wing)

Kwalu corner guards come in four standard wing sizes and two standard heights for protecting vulnerable wall corners in any application and any budget. Custom sizes and angles are also available.

Door Protection

Doors are perhaps the most vulnerable part of any facility. Kwalu kick plates and push plates are designed to stop damage to doorways while providing the design appeal of wood.

Push Plates & Kick Plates

Wall Paneling

Kwalu Wall Paneling offers the freedom to create unique designs to suit your space. Combine Virtually Indestructible™ wood grained colors with custom styles for memorable contemporary layouts.

Virtually Indestructible™

Why Choose Kwalu Wall Protection?

Kwalu is **Virtually Indestructible™**

10 year WARRANTY Through technology and innovation, Kwalu is able to offer not only a 10-year warranty on **construction**, but also the **industry's only 10-year warranty on finish**.

LOOKS THAT last Kwalu is a high-impact resistant polymer that **will not chip**. Kwalu's **wood grain effect** is easily repairable, so your products **look like new, year after year**.

SUPREME service AND SUPPORT Kwalu is **here to help you** – before, during and long after the initial sale. Rely on our knowledgeable, **locally based reps**, plus your Kwalu **corporate support team**.

CREATE YOUR OWN style Kwalu offers modular systems so that you can **mix and match** to suit your budget. Alternatively, take advantage of our complete **custom design service**.

YOUR **SINGLE source**

Only Kwalu can ensure a **coordinated look** throughout your facility by offering complete collections of **furniture and wall protection** – all made from the same Virtually Indestructible™ Kwalu material. Buy from **one trusted company** to simplify your sourcing needs.

SIMPLE TO install Kwalu products **do not require painting or varnishing** and can be installed with **normal woodworking tools**. Patent-pending construction methods make installation **quick and easy**. All Kwalu products are made from **class "A" fire-rated materials**.

Wall Protection Colors

Colors may vary slightly from actual samples. Other wood grained colors, solid colors and custom colors are available – minimum quantities are required. Contact us for a complete color chain set.
