

The Balance™ Bench is an elegant and durable public seating solution perfect for a wide range of environments. Bold and beautiful in form, the cantilever frame is constructed of rustproof solid cast Aluminum. Seats are made from corrosion-resistant Stainless Steel and may be specified in your choice of Stainless Steel finishes or powdercoat colors. Available in backed and backless versions, the Balance™ bench is ideal for transportation centers, campuses, municipal spaces or any setting where robust construction and superb design are priorities.

### Configuration Options

Balance™ benches are available in backed and backless versions, both in standard 75" (1905mm) lengths. All benches have two armrests that are integral parts of the frame end castings.

### Materials and Finishes

#### Frame

Frames are solid cast Aluminum with a powdercoat finish. Standard powdercoat colors are Bright Silver and Slate Texture; optional colors from the F+S color chart and custom RAL colors are available for an upcharge.

#### Seats

Seats are formed from Stainless Steel with 1.16" hexagonal perforations. Seats may be specified in Sandstone or Satin finish Stainless Steel or powdercoat colors. Standard powdercoat colors are Bright Silver and Slate Texture; optional colors from the F+S color chart and custom RAL colors are available for an upcharge.

#### Standard Powdercoat Finish Options (for frames or seats)

Bright Silver

Slate Texture

#### Standard Stainless Steel Finish Options (for seats only)

Sandstone

Satin

Backed Balance™ Bench shown with end castings in Bright Silver powdercoat and seat in Slate Texture powdercoat.

Backless Balance™ Bench shown with end castings in Bright Silver powdercoat and seat in Sandstone finish Stainless Steel. Detail: Hex perforations

### Installation

Balance™ benches must be surface mounted. Anchors and Stainless Steel mounting screws are included.

### Maintenance

Surfaces can be cleaned as needed using a soft cloth or brush with warm water and a mild detergent. Avoid the use of abrasive cleaners.

### Environmental Considerations

The Balance™ bench's metal components have a high recycled content. Powdercoat finishes are very low or no VOC. All bench components are fully recyclable.
