STATE SUBSCRIPTIONS

@ www.smartprojectnews.com

STATEWIDE ACCESS TO THOUSANDS OF QUALITY CONSTRUCTION PROJECT LEADS

SmartProject News is a web-based solution that offers commercial construction project information throughout the United States and Canada.

With Statewide Subscriptions on SmartProject News you can:

- Search general and civil construction projects in your state(s) of choice
- Access to download plans and specs through a subscription add-on
- Use advanced search features to quickly identify projects of interest
- Save projects and set reminders on projects you want to track

SmartProject News is designed so you can quickly search projects, companies and contacts, browse the results and go win the job!

SAVE MONEY WITH MULTI-STATE DISCOUNTS

Need project information for more than one state? Subscribing to multiple states allows you to save...the more states you subscribe to, the greater your discount! When you order, don't forget to add plans & specs- this multi-state discount will apply to your entire subscription.

SEARCHING ON SMARTPROJECT NEWS

Subscriptions on SmartProject News give you the flexibility to quickly search and find the projects you're looking for. Broaden your results by using a keyword or state search option, then narrow down projects using filters such as location, project stage or contract type.

TRY SMARTPROJECT NEWS BEFORE YOU BUY

SmartProject News gives you the opportunity to search summary level data before you buy. Registration is free and you'll be able to test drive everything SmartProject News has to offer.
